

Kozyak Tropin & Throckmorton is Named Tier 2 Litigation Firm in Florida in 2006 Chambers USA

Chambers on the Firm:

This firm commands client approval for its experience of securities fraud and bankruptcy litigation: *"When I think of great Florida litigation firms, I think of this one first."* This is not the extent of this firm's practice however, as clients also heartily recommend its mastery of professional malpractice, class actions and IP litigation. The firm is co-lead counsel in one of the largest class actions in history against

the healthcare industry. The firm represents a nationwide class of over 750,000 physicians who are challenging the historic billing and payment practices of some of the nation's largest HMOs. So far, seven settlements totaling more than \$4 billion have been reached.

Chambers on the Lawyers:

Harley Tropin "is successful in getting the desired results for his clients" and is one of the most preeminent plaintiff lawyers for complex class actions in the state. He is respected by the courts as "an ethical and smart attorney who is a pleasure to deal with." He also "takes the reckoning of issues to a different level through his tenacity and insight."

Although Tropin is seen as being the star of the firm, Tucker Ronzetti also features high in clients' affections.

Chambers Highlights on KT&T Work & Clients:

Trustees, receivers, large medical societies or significant institutions facing "bet the company" litigation utilize the services of this firm.

Chambers Ranks Harley Tropin as a Tier 1 attorney out of only 8 attorneys in Florida.
